TO BE COMPLETED BY YOU, EQUINE OWNER

I/We, _____, owner(s) of the above referenced equine identified by a large-animal veterinarian as having health complications (e.g., allergies) directly associated with exposure to pine wood products, understand that the National Equestrian Center (NEC) exempts the mandatory purchase of shavings from the NEC for this equine's on-site stall. The National Equestrian Center further authorizes the use of non-pine shavings obtained from sources other than the NEC on the condition I/we pay the National Equestrian Center a \$25.00 clean-out fee for this equine's on-site stall.
