DIVISION & CLASS INFORMATION

DIVISIONS

JUNIOR/YOUNG RIDER (JR/YR). Riders are eligible to compete in these classes until the end of the calendar year in which they reach the age of 21.

ADULT AMATEUR (AA). Riders must qualify under USEF Amateur rules beginning in the calendar year in which they reach the age of 22.

OPEN (O). Individuals competing in these classes have no restrictions based on horse or rider.

CLASSES

QUALIFYING CLASSES. NEC Schooling Show Championship qualifying classes are held each day of the show at the highest test of the level and at FEI, (except Freestyle). There is an additional fee for riding a qualifying ride/in qualifying class. NEC Championship Qualifying Classes may be combined with the corresponding open or amateur adult class. All qualifying scores earned by riders which meet eligibility and qualifying score requirements may count as qualifying for the NEC Schooling Show Championships regardless of placing.

CLASSES PER DAY. Multiple riders may compete on the same horse; however horses are limited to a maximum of three (3) Dressage rides a day at Fourth Level and below or two (2) Dressage rides per day above Fourth Level. Horses competing at both Fourth Level and Prix St. George or their equivalents are limited to two (2) Dressage rides per day. Dressage Seat Equitation, USDF In-Hand Classes and Exhibition classes are excluded from the maximum limit of rides per day, and horses in these classes may compete at any level for which they are otherwise eligible during the same competition.

CONSECUTIVE LEVELS. Horse may enter no more than two (2) consecutive levels, Freestyle levels included, at any one competition.

CLASS AWARDS. Ribbons to sixth place for each class. Divisions (JR/YR, AA, Open) may be run concurrently as one class. Divisions will be pinned separately when entries in that division meet or exceed four (4) entries; when entries in any given division are fewer than four (4), those divisions will be pinned together. Riders must clearly specify division choice. When no designation is made, riders will automatically be entered as Open. Riders may enter only one division per class; any additional prizes will be posted at the Show Office. Prizes awarded *only* with competition.

ENTERING NON-COMPETING HORSE. Non-competing horses will be accepted upon payment of all non-compete fees, stabling fees, and office fees plus receipt of a completed entry form, including signatures, and current horse health documents.

ENTRY INFORMATION

ENTRY PROCEDURES. Only one horse/rider combination per entry form; separate entry forms for each show. Exhibitors must enter on-line at www.equestrianentries.com or via email with over-the-phone payment through the NEC Services Office at info@necstl.com and 636.561.8080 (a **4.25% convenience fee** will apply, and payment will be processed at the time of entry). *Entries submitted by U.S. Postal Mail may be rejected.*

ENTRY ACCEPTANCE: Entries will be accepted on a first-come first-serve basis and must include all fees, horse health documents, signatures, and payment in full.

Any entry missing required documents, signatures and/or full payment after the closing date shall be considered a late entry.

POST ENTRIES. Entries will be accepted after closing and on the day-of-event, hereafter called Post Entries, to fill available ride times resulting from scratches and similar events as scheduling permits. No late entry fee will be applied but a post-entry fee will be required in addition to the normal class fee. To be eligible for a post-entry, a horse/rider combination must a) be eligible for the class, b) must have previously entered in competition as a competing or non-competing horse, c) register with the Show Secretary and put name on waiting list.

ENTRY CANCELLATION/WITHDRAW: Entries may be cancelled and withdrawn only in writing prior to or on the closing date. Cancellations made prior to or on the closing date will receive refunds of 50% class fees, all stabling fees and other fees less the office and convenience fees. Further refund consideration due to extreme veterinary or medical emergency situations will be at the sole discretion of NEC. Original veterinary/medical doctor's certificate must be furnished to the secretary within ten (10) days of cancellation. **NO REFUNDS WILL BE MADE AFTER CLOSING DATE.** Late entry fees are non-refundable. Refunds will be mailed to competitors approximately 2-4 weeks after the show.

All Owners and Exhibitors will be held responsible for any damage incurred by them, their agents, employees, guests or animals to stalls, buildings and/or other properties at NEC and shall be billed accordingly. All bills shall be due and payable

Every effort will be made to reschedule with priority given to any offered Championship or qualifying classes. No refunds will apply.

QUALIFYING FOR NEC'S 2023 DRESSAGE SCHOOLING SHOW CHAMPIONSHIPS

OVERVIEW

The National Equestrian Center is pleased to host the NEC Dressage Schooling Show Championships at the end of the competition year 2022 for qualified schooling show competitors. The program is offered with the following objectives:

- to support personal accomplishments for learning riders and their horses
- to encourage the preparedness of riders and horses working toward participation in rated competition
- to showcase the talents of schooling show riders in St. Louis and the surrounding areas
- to provide an environment of camaraderie and sportsmanship among competitors at all levels

ELIGIBILITY REQUIREMENTS

- The NEC Dressage Schooling Show Championships are open to horse/rider pairs who have earned qualifying scores during the qualifying period. No memberships are required for eligibility; however, all horse owners and riders must be "in good standing" with the NEC when these qualifying scores are earned in order for them to count as qualifying scores. "In good standing" is a status assigned to individual trainers, owners and/or riders who are not banned, restricted or otherwise suspended from the National Equestrian Center and who have no outstanding debt or obligation due to the National Equestrian Center or its Licensees (e.g. other event hosts leasing the facility). In addition, any horse whose owner, rider or trainer is not "in good standing" will not be eligible to participate in the NEC Dressage Schooling Show Championships.
- **The qualifying period is October 8, 2022 to June 19, 2023.**
- Horses must be entered in qualifying and championship classes under their official recorded names (not barn names or nicknames) and with correct owner, rider and trainer information. Riders may qualify and compete with multiple horses, but horses are limited to one rider. Therefore, two riders cannot share one horse. EXCEPTION: AA and JR/YR riders can share a horse if they both qualified but all other rules apply to the rider/horse combination (e.g., horse cannot be shown twice in the same level but must be shown in consecutive levels)
- Having won the title "Level Champion" at NEC Dressage Schooling Show Championships two times in a lifetime, a horse/rider combination may no longer compete in NEC Championship competition at that same or lower level (Grand Prix and Grand Prix Musical Freestyles excepted)
- No substitutions of horse or rider will be allowed at the NEC Dressage Schooling Show Championships.

QUALIFYING REQUIREMENTS

To qualify for the NEC Dressage Schooling Show Championships, horse/rider pairs must:

- enter with an official "qualifying test" designation at any NEC Dressage Schooling Show held within the defined qualifying period. The qualifying test must be the highest test of the level and the entry must be clearly marked, also called designated, as "qualifying" with all applicable qualifying fees paid in advance of riding the test.
- earn a total of two qualifying scores (each score must be the average of all judges officiating) at the same level from two different judges or combination of judges at two different NEC Dressage Schooling Shows or at particular Dressage Schooling Shows that have been awarded NEC Championship Qualifier status and held within the defined qualifying period.
- It is NOT required that the horse/rider pair achieve a certain rank in the class (i.e., first, second, etc.), only that the minimum qualifying scores be earned.
- Horse/rider pairs may enter one qualifying test at each level per show; however, more than one qualifying test may be ridden at the same show when entering also a qualifying freestyle or at different levels.
- Once qualifying fees are received by NEC, they will not be refunded to competitors for any reason.
- Separate ribbons or trophies are not awarded for qualifying tests.
- Any and all eligible horse/rider pairs who achieve the minimum qualifying score on a qualifying test will receive one qualifying score toward their two-score requirement to be eligible to enter the NEC Dressage Schooling Show Championships if all other conditions are met.
- There is no limit for the number of horses on which a rider may qualify.
- Qualification is based on horse/rider pairs. If a new rider wishes to compete with the horse at the championships, he/she must requalify.
- One whip no longer than 47.2 inches (120 cm), including lash may be carried in all qualifying tests.
- Qualifying tests may utilize a reader to call out the test being ridden except at FEI level and in Freestyle classes.
- **DRESSAGE SEAT EQUITATION:** DSE classes at the NEC Dressage Schooling Show Championships will not be offered for the Open division. JR/YR and AA Riders can qualify for DSE Championship classes in 2 ways: 1) Riders who qualify for the championships at any level above Intro Level automatically qualify to enter the Dressage Seat Equitation Championship class OR 2) riders may qualify by earning two (2) qualifying scores in a DSE class during the qualifying season.

For complete information including qualifying scores by Level/Division, see *NEC's DRESSAGE SCHOOLING SHOW CHAMPIONSHIPS 2023 Qualifying & Championship Rules* available on the NEC's website at www.necstl.com/events.

Championship Rules

At the championship, horse/rider pairs will ride one test to determine the championship winner. The test will be the highest test of the level (i.e., Intro C, Training Level Test 3, etc.) except at FEI Level in which horse/rider pairs will ride the test level at which they qualified for Championships (i.e., scores were obtained at Prix St. George, Championship test will be ridden Prix St. George). **Champions and Reserve Champions will be recognized at each level USDF Intro through USEF 4th Level and then at FEI Level; WDAA Intro through Second Level and then WDAA Third Level & above, USDF Musical Freestyle, FEI Musical Freestyle, USEA and Dressage Seat Equitation.** If entries warrant further distinction between USEA levels and DSE divisions, NEC reserves the right to establish those distinctions.

- A horse may only compete in two consecutive levels, (i.e., Training Level and First Level, WD Intro and WD Basic, etc.).
- Horse or rider may not be substituted in a qualified horse/rider pair. Additionally, no horse entered in the Championship may be ridden in warm-up by anyone other than the qualified rider/riders of that horse/rider pair. This applies even after the horse has completed its class EXCEPT when the horse is ridden for cooling-down purposes on a long rein.
- The NEC Dressage Schooling Show Championships will be conducted according to USEF rules. No whips will be permitted. EXCEPTIONS: the gate at "A" will remain open and Test Readers/Callers may be utilized only for classes Intro through Second Level.
- Championships will follow the USEF Rule stating, "A horse may be ridden in no more than 3 classes per day. Exception: a horse may be used in a DSE class as a 4th class for the day".
- Time interval between rides: DR 126.1 (b,5) "In order to facilitate show scheduling considerations, management reserves the right to shorten the time interval between competitor rides for those competitors entering multiple classes or riding multiple horses".
- A Championship title will not be awarded if the first placed winner's score is less than the qualifying score threshold within the rider's division (e.g., 60% at Intro Level for AA; 54% at FEI Level for JR/YR, etc.)

The undersigned client/organizer/manager/official/contractor/agent/exhibitor/volunteer/parent/spectator/visitor/guest or other participant (each being a "Participant"), on his/her own behalf and as the parent(s)/legal guardian(s) of a minor Participant, for good and valuable consideration, which includes, but is not limited to, the right to be on or in and to utilize the facilities located at the property commonly known as The National Equestrian Center ("NEC") and to participate in or be a spectator of events being held at such property, agrees to the following terms and conditions of this Release. Waiver, Hold Harmless and Indemnification Agreement ("Agreement"):

- A. RULES AND REGULATIONS:** Participant hereby agrees to be bound and abide by the rules, regulations, and policies NEC has published in the NEC Facility License Agreement and/or on NEC's website at www.necstl.com, as amended from time to time.

Furthermore, Participant knowingly, willingly, and voluntarily acknowledges the inherent risks associated with the sport of equestrian and knows that horseback riding and related equestrian/livestock activities are inherently dangerous, and that participation in any event being held at NEC involves risks and dangers including, without limitation, the potential for serious bodily injury (including broken bones, head or neck injuries), sickness and disease (including communicable diseases), trauma, pain & suffering, permanent disability, paralysis and death; loss of or damage to personal property (including Participant's mount & equipment) arising out of the unpredictable behavior of horses; exposure to extreme conditions and circumstances; accidents involving other participants, event staff, volunteers or spectators; contact or collision with other participants and horses, natural or manmade objects; adverse weather conditions; facilities issues and premises conditions; failure of protective equipment (including helmets); inadequate safety measures; participants of varying skill levels; situations beyond the immediate control of NEC's owners, managers, staff, volunteers, event organizers, and agents; and other undefined, not readily foreseeable and presently unknown risks and dangers ("Risks").
